Carl Marletti

Carl Marletti is the creator of the stunning confections that sweet-toothed dreams are made of, including tarts, well-executed millefeuilles and éclairs laden with Piedmontese pistachio cream. Marletti's cakes and cookies follow classic recipes, while his own creations run the gamut from domes of dark chocolate mousse to violet-tinged choux. Le censier, Marletti's chocolate quenelle framed by a praline and popping candy crisp, is the jewel in this confectioner's crown.
